

# Mini Cog

Instructions for Administration		Scoring/Special Instructions			
1. Ask the patient to remember three unrelated words from one of the lists below. Ask the patient to repeat the words to ensure the learning was correct.		<ul style="list-style-type: none"> <li>- Allow the patient three tries, then go to the next item.</li> <li>- Keep track of which list was used at each study visit.</li> <li>- Use a new list of words at following study visits</li> </ul>			
<b>Mark an X to indicate which version was used in the box below.</b>					
<b>Version 1</b> Banana Sunrise Chair <input type="checkbox"/>	<b>Version 2</b> Daughter Heaven Mountain <input type="checkbox"/>	<b>Version 3</b> Village Kitchen Baby <input type="checkbox"/>	<b>Version 4</b> River Nation Finger <input type="checkbox"/>	<b>Version 5</b> Captain Garden Picture <input type="checkbox"/>	<b>Version 6</b> Leader Season Table <input type="checkbox"/>
2. Ask the patient to draw the face of a clock. After the numbers are drawn on the face, ask the patient to draw the hands to read 10 minutes after 11:00 (or 20 minutes after 8:00).		<ul style="list-style-type: none"> <li>- A clock should not be visible to the patient during this task.</li> <li>- Use a blank piece of paper or a preprinted circle (next page).</li> <li>- Move to next step if clock is not complete within three minutes.</li> <li>- Correct response = all numbers placed in approx. the correct positions AND the hands pointing to 2 and 11 (or 4 and 8).</li> <li>- Scored as abnormal if patient declines to draw clock.</li> </ul>			
3. Record whether the Clock Drawing Test is normal or abnormal in the appropriate box to the right.		<b>Clock Drawing Test: Is the clock Normal or Abnormal?</b> <div style="text-align: right;">             Normal <input type="checkbox"/>      Abnormal <input type="checkbox"/> </div>			
4. Ask the patient to recall the three words from Step 1. Record the number of words correctly recalled in the appropriate box to the right.		<b>Word Recall: How many words did the patient recall?</b> <div style="display: flex; justify-content: space-around; align-items: center;"> <div>3 Words <input type="checkbox"/></div> <div>1 to 2 Words <input type="checkbox"/></div> <div>0 Words <input type="checkbox"/></div> </div>			

## Scoring:

Word Recall	Clock Drawing Test	Impairment
3 Words	N/A	Not Impaired <input type="checkbox"/>
1 to 2 Words	Normal	Not Impaired <input type="checkbox"/>
1 to 2 Words	Abnormal	Impaired <input type="checkbox"/>
0 Words	N/A	Impaired <input type="checkbox"/>

## Clock Drawing Test (CDT)
